PLEA**GUILTY**, and the court being satisfied that there is a factual basis for the plea.**NOLO
CONTENDERE****NOT
GUILTY****FINDING**There being a finding of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Count 1: Illegal Alien Found in the United States Following Deportation
8 U.S.C. Sections 1326(a), (b)(2)

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that:

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant **RAFAEL GUZMAN TARULA** is hereby committed on the Single-Count Information to the custody of the Bureau of Prisons to be imprisoned for a term of: **46 months**.

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be paid at \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Section 5E1.2(e) of the Guidelines, all fines are waived, as it is found that defendant does not have the ability to pay a fine.

For the reasons stated at the sentencing hearing by the Government, the Court is including supervised release, despite language in the commentary of the sentencing guidelines recommending against that in this type of case. Therefore, upon release from imprisonment, the defendant shall be placed on supervised release for a term of **three years** under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U.S. Probation Office and General Order 318, as amended by General Order 05-02, including, but not limited to, the condition that defendant shall not commit another federal, state or local crime;

2. The defendant shall refrain from any unlawful use of a controlled substance. As directed by the Probation Officer, the defendant shall submit to one drug test within 15 days of release from imprisonment. Thereafter, defendant shall also submit to periodic drug testing as directed by the Probation Officer, not to exceed eight drug tests per month;
3. The defendant shall comply with the immigration rules and regulations of the United States, and when deported from this country, either voluntarily or involuntarily, not re-enter the United States illegally. The defendant is not required to report to the Probation Office while residing outside of the United States; however, within 72 hours of release from any custody or any re-entry to the United States during the period of Court-ordered supervision, the defendant shall report for instructions to the U.S. Probation Office located at the United States Courthouse, 312 North Spring Street, Suite 600, Los Angeles, California 90012.
4. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport, or any other form of identification in any name, other than the defendant's true legal name, without the prior written approval of the Probation Officer; nor shall the defendant use, for any purpose or in any manner, any name other than his true legal name.
5. The defendant shall cooperate in the collection of a DNA sample from the defendant.

The Court recommends defendant be housed at the Bureau of Prisons Correctional Institution in Taft, California.

The Court informs defendant of his right to appeal.

The Court terminates defendant's supervised release terms and conditions imposed in CR 10-1344-MWF.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
